

# TAUGHANNOCK DISTRICT FLY-O-REE

May 19-20, 2012

*Ithaca/Tompkins Regional Airport*

Make sure that the District Fly-o-Ree is on your troop's calendar!

- Earn Aviation Merit Badge - even if the weather is inclement, so that the Young Eagles flights cannot fly, Scouts should be able to complete the badge at the Fly-o-Ree using alternate requirements.
- Free airplane flights with the Experimental Aircraft Association's "Young Eagles" program (weather permitting, obviously) - each Scout will need to bring an EAA Young Eagles permission form. Forms will be available for download from District Website activity page or <http://www.youngeagles.org/>
- Try the flight simulator at East Hill Flying Club.
- Lots of displays and interesting aircraft to look at.
- Flying movies in the evening.
- Camping over Saturday night is planned, but will depend on finding a location. We have contacted Cornell for permission to camp on Brown Rd., and other locations will be investigated.
- Troop reservations will be required at the March roundtable with final numbers due by the end of April.

*More information will be available as the date approaches.*

Questions? Contact Mike Brown - [DC@TompkinsCortlandScouts.org](mailto:DC@TompkinsCortlandScouts.org)

This should prove to be a great activity for your troop's  
Boy Scouts. Make sure your troop is there!

B	<b>BOY SCOUTS</b>	
	<i>Appropriate for boys ages 11-17</i>
